* Warranty applies to over-the-road applications only

** Warranty applies to off-road applications only

DENSO CORPORATION and DENSO SALES CALIFORNIA, INC. (DSCA) warrant that Heavy Duty Electrical Products manufactured by DENSO will be free from defects in material and/or workmanship for that period, which is defined in the table above from the date of purchase by the retail user. The obligations of DSCA under this warranty is limited to the repair or replacement of any products, which, under normal use and service, prove to be faulty due to any defect in material and/or workmanship.

LIMITATIONS: This warranty shall not apply to nor include any repair or replacement as a result of: accidents, misuse, or negligence; improper application or replacement parts improperly installed; lack of proper maintenance or repairs improperly performed; use of replacement part or accessories, which are not genuine DENSO; or repair or replacement performed by any person or agency not approved by DENSO or DSCA.

Please refer to the DENSO Warranty Policy and Procedures for Heavy Duty Electrical Products for full details.
